Subject- Annual Repair estimate for "Awdry House" at Ooty.

M Reference- Letter no 5496 dated 9.11.40 from the Chief Engineer of Mysore.

N (1) It is reported that the charges on account of permanent establishment, property and land taxes of the 'Awdry House' at Ooty are being met from PWD grants, while similar charges in respect of "Glen View" are debited to "12- General Administration. As both the buildings are in charge of PW.D. the Chief Engineer has proposed that the above charges amounting to Rs 1230/- per annum, in respect of 'Awdry House' may also be debited to '12 General Administration' to keep up to uniformity of rules and to increase the scope of A.R work to the building. This will incidentally relieve the strain on the annual repair grant which is limited.

(4) No reply re: the permanent establishment property or land taxes in respect of Glenview (Statement to be met from 12 Gnl. Admn) or re Awdry House is traceable in the P.P. Section. It is ascertained that the property and land tax bills of Glenview are received in the Office Branch. Perhaps the reply re: the debiting of the charges of 'Glenview' to 12 Gnl. Admn may be available in the O/B. The only file available in the P.P. Sec re: Awdry House is placed below for perusal. Since no reply on the subject are in the P.P. Sec it appears this will be transferred to O/B.
